Dear Next Gens,

We would love for you to join us in prayer for the next 21 days. It's such an exciting and special time!

This easy guide will help us focus our prayers over the next few days. When we pray together, amazing things can happen! You can also pray about anything else that's on your heart, these points are just a starting place.

Each day, we've included a Bible verse to inspire you and guide your prayers. Your involvement means a lot to us. Let's pray with excitement and hope!

With love,

Amba K

Prayer Guide

Welcome to Our 21-Day Prayer Adventure!

For the next three weeks, we invite you to set aside special time each day to talk to God and grow closer to Him. This guide is set up so you'll follow the same ideas each week, helping you think and grow in your faith as you go along.

And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord's people.

Ephesians 6:18

What is Prayer?

Prayer is talking to God. It's like having a conversation with a friend. You can tell God what's on your mind, ask for help, or just say thank you!

What is Fasting?

Fasting is when you give up something, like food or screen time, to focus more on God. It helps us remember how much we need Him and can make our hearts more open to His guidance.

Why do we Pray and Fast?

We pray and fast to grow closer to God, to understand His will, and become more like Him. It's a way to show God that we love Him and want to know Him better.

"Pray continually."

1 Thessalonians 5:17

This verse reminds us that we can talk to God anytime!

Summary

Prayer is talking to God, and fasting is giving something up to focus on Him. Both help us grow in our faith and feel His love!
